PROSPECTUS: HISTORY OF THE SCHOOL

Kloof Junior Primary School was originally part of the Kloof Government School which was built in 1926. It split from Kloof Senior Primary School in 1965 and began its existence at the current Kloof Pre-Primary School premises. A new school building for Kloof Junior was built in Abelia Road to accommodate grade 1 to grade 3 children at that time. The children moved from the old school buildings to the present school buildings in 1969. The first principal of the then Kloof Infants' School was Miss Lawrence. She was well known for the amazing children's plays which she wrote and in which the children took part. She was the principal until 1974 when Miss Dacomb took over. Miss Dacomb was responsible for introducing the first computer centre at the school in 1985 when 15 Commodore computers were bought. It was during this time that the school became known as the Kloof Junior Primary School.

Mrs Rosalie Burke took over in 1986 and was responsible for many new developments at the school. Among these were a swimming pool, a new hall, a new administration wing and a new computer centre. Mrs Burke retired in 2005. Mrs Lyn Dobson was appointed as Principal in 2007 after being the acting principal for a year. In 2015, just before she retired, tiered seating and paving was added to the pool area and the Astro field and surrounds was built.

Our current principal, Mrs Karen Leppan was appointed in 2016.

A new mission, vision and set of virtues was created during the 2016 Strategic Review based upon input from all stakeholders. It was officially launched in 2017 and embraces what we believe is important in our educational journey.

INFORMATION TECHNOLOGY

At Kloof Junior we believe it is imperative to keep moving forward with the IT in our school. We have a fully kitted out IT centre with a flat screen monitor per child and we have WiFi throughout the school. We have installed interactive white boards and data projectors in all rooms in our school. Each teacher is also provided with a laptop. In this way we provide an exciting medium of instruction for these 'digital natives' in our school.

MEDIA CENTRE

Mrs Phillips runs our Media Centre and it is the hub of reading in our school. It is often open before school and during break time to encourage the reading of books. Every week we have a 'reading bug' time to encourage our children to 'catch the reading bug'.

SPECIALIST TEACHERS

We have a specialist Music teacher, Mrs. Noakes, a Sports' Co-ordinator Mr. Nimmo, assisted by Mr Marillier, an isiZulu educator Mrs. Ngcobo, and an Afrikaans specialist Mrs. Richardson. By having specialist teachers, we increase the standard of coaching and teaching in our school.

GENERAL ASSISTANTS

Our General Assistants are Mrs. Bongzi Ngidi, Mr. Francis Ncube, Mr. Siphon Mkhize, and Mrs. Patience Magwaza. A weekly meeting ensures that our campus is kept looking clean and organised. We welcome any suggestions from parents.

SECURITY GUARD

We have employed a security guard Mr Christopher Hlongwa, to assist us in keeping our school safe & secure for your children.

ACADEMICS LANGUAGES

Kloof Junior Primary School is an English Medium School, offering English as the language of instruction for children from Grade R to Grade 3. The first additional language is Afrikaans and is introduced from grade 1. IsiZulu is the second additional language and is also taught at the school from Grade R.

CURRICULUM

The school has established a fine reputation for its academic standards, and the staff is dedicated to providing a high standard of foundation phase education based on the Curriculum and Assessment Policy document (CAPS). Our learning programmes are innovative, well structured, cover the required learning areas and are child centred. We encourage co-operative learning in order to develop the child holistically. We have an assertive discipline approach which is based on positive reinforcement. Once a week a child from every class is awarded the "I did my best" badge for any particular effort they may have made. These are handed out in assembly and worn for the week. Once a term one child from every class is invited to have tea with the principal as a way of reinforcing appropriate behaviour and work ethic. We aim to 'catch them doing it right'.

ASSESSMENT

Continuous assessment is used to emphasize the importance of maintaining steady work throughout the year. Formal assessments are also undertaken during the course of the term. Both these types of assessment are used to compile the termly reports.

HOMEWORK GRADES ONE TO THREE

We focus on oral homework only at this age. All learners are given a small amount of homework from Monday to Thursday. Prepared reading is set as homework to consolidate the work done in the class. Your interest and co-operation is of inestimable value and we ask you to encourage your child to proudly read their book aloud to you followed by any further homework that has been set. Homework is designed to consolidate the reading, bonds and tables done at school and is not designed to take up a large part of the afternoon.

EXCURSIONS AND EDUCATIONAL SHOWS

We have a well-structured outing programme for grades R, 1 and 2 where children are given an opportunity to discover, reinforce and develop the knowledge gained from their theme based learning programmes. In Grade 3 the children participate in an overnight outdoor adventure programme.

Educational shows are regularly provided on our campus to enrich children's understanding of the curriculum.

SCHOOL FEES

Kloof Junior Primary is a fee-paying school. The Governing Body levies a school fee to pay for extra teachers, insurance, purchase of teaching aids and sports equipment as well as maintenance of buildings, grounds, swimming pool and all other facilities. To supplement our fees we have regular fund raising functions.

MONEY

In order to minimize the amount of cash on the premises, we would prefer payments of more than R50 to be deposited directly into our school account. When money is sent to school please put it in an **ENVELOPE** with your child's name, what the money is for and the grade teacher's name on it. Zapper is now available for all cash payments.

In terms of the law, parents who cannot afford school fees can apply for an exemption.

All parents are required to sign a declaration when they sign the Admission Contract, acknowledging that they have read the Code of Conduct document and will ensure that their children abide by it.

ABSENTEEISM

Please inform the school if your child is unable to attend school. An absentee note is required when the child returns to school. If your child is absent with an **INFECTIOUS DISEASE**, would you please inform the school secretary as we have to notify the Provincial Health authorities. In case of children being ill or injured at school, parents will be contacted. The continued updating of personal particulars is vitally important to enable us to contact you when your child is ill or injured.

INTERVIEWS

Parents are afforded every opportunity to meet the Principal and teachers in various functions held throughout the year. During the first and third terms Parents are invited, along with their child, to join us for the traditional Books and Burgers evenings to view books and have dinner. In the first and third term you will be invited in to an individual interview. You are, however, always welcome to make an appointment with your child's teacher to discuss your child's progress.

COMMITTEES

Parents are encouraged to assist us by offering to help out on the various committees at school. In this way you can become a fully integrated member of Kloof Junior Primary School. Some of the committees which you can join are fundraising, catering, maintenance, moms who care, safety and security, recycling and media centre.

HEALTH AND SAFETY

The Health and Safety Committee meets regularly and its aim is to ensure the safety of children, staff and property at all times.
